HISTORY/FACTS/ISSUES:
Sumter County's Adopt-A-Highway program began in 1996. Under the agreement, each group/individual must commit to perform a minimum of eight (8) litter pickups for a two year period on an adopted two mile span of right-of-way.

Mildred Matthews signed their original contract in 2002. They have exceeded their required number of litter pick-ups for each year. Their agreement is for litter removal on CR 734:

From the intersection of CR 734 to the end of CR 734 - Total 2.0 miles

Mildred Matthews has agreed to adhere to all safety and contractual procedures.

If the Board of County Commissioners agrees to execute this litter removal extension agreement, two (2) of the three (3) originals should be returned after executed. The third original will be retained with Board Minutes.
