HISTORY/FACTS/ISSUES:

On March 25, 2008, the Board of County Commissioners entered into a Continuing Engineering Services Agreement with DRMP, Inc.

DRMP, Inc. has submitted a Scope of Services to provide Engineering Design Services for Sumter County's C-470 Watermain Project. The design services provided by DRMP, Inc. consist of Surveying and Civil Engineering Design with preparation of construction documents consisting of plans and details, and review submittals with the Owner and permitting assistance with the City of Bushnell (the City), Florida Department of Environmental Protection (FDEP) and Florida Department of Transportation (FDOT). DRMP's services will also include limited Post Design services, as defined under this Scope of Services.

The following summarizes the fees and billing terms as proposed by DRMP for the Scope of Services as presented herein:

I Survey Lump Sum \$ 15,000.00

II Final Engineering and Construction Documents Lump Sum \$ 29,784.00

III Permitting and Approvals Lump Sum \$ 2,772.00

IV Post Design Services Lump Sum \$ 1,800.00

V Direct Reimbursable Allowance Lump Sum \$ 500.00

Total Base Fee \$ 49,856.00

Encumbrance of funds will not occur until after October 1, 2012.
