HISTORY/FACTS/ISSUES:

Sumter County maintains an Interlocal Service Boundary Agreement and Joint Planning Agreement (ISBA) with the City of Wildwood (City). Sumter County and the City have adopted ISBA ordinances and are in the process of incorporating the terms into their respective comprehensive plans. This application adopts the ISBA ordinance into the Sumter County Comprehensive Plan. Concurrent with this amendment the County developed a Unified Comprehensive plan for Sumter County, Center Hill, and Webster that replaces the existing Sumter County Comprehensive Plan. The Unified Comprehensive Plan fully incorporates the terms of the Wildwood ISBA.

CPA2012-0002 was developed as a stand-alone application to assure that time-sensitive content could be adopted on schedule if the Unified Comprehensive Plan adoption were delayed. The contents of this amendment are redundant upon adoption of the Unified Comprehensive Plan.

Staff recommends the BOCC withdraw this amendment contingent on the adoption of the Unified Comprehensive Plan.
