HISTORY/FACTS/ISSUES:

In 2009, Sumter County entered into a grant agreement (10DS-39-05-37-01-314) with the state of Florida's Division of Emergency Management for \$84,500. The funds were provided as part of the Department of Homeland Security's State Homeland Security Grant Program. This program provides funds for local emergency management planning, training, and disaster exercises. So far, Sumter County expended \$70,678.81 of those funds. The grant expired on June 30, 2012.

Florida Division of Emergency Management has granted an extension to expend the remainder of these funds, \$13,821.19, through November 30, 2012. These funds will be used toward the development the County's Post Disaster Redevelopment Plan.
