Dear Mr. Arnold

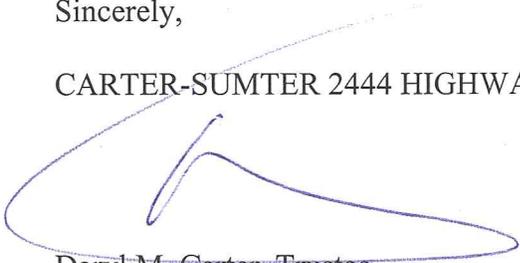

RE: Purchase and Sale Agreement for CR 468

I have been asked to sign a letter as to the environmental condition of my property located on CR 468 as to which the County is purchasing a portion for CR 468 construction project.

To the best of my knowledge, none of this land has ever been used for cattle dipping vats or any other environmental pollutants. There is no investigation, active or threatened, concerning said property by any state or federal agency.

Sincerely,

CARTER-SUMTER 2444 HIGHWAY 468 LAND TRUST
