Subject: Royal Park

Afternoon,

We, Young Performing Artists (YPAs), Inc., have already reserved the Royal Community Center and Park for the 2012 Royal Homecoming Weekend.

We have it reserved, paperwork completed and submitted, from Wednesday, June 13th through Monday, June 18th.

In light of our using a new site (Mr Pappas field), we are requesting that we are allowed to maintain the reservation in order to use the park as our command center. With this in mind, we ask that the park and center be closed for ease of transitioning between the two sites from that Wednesday continuing through the 2012 Royal Homecoming Weekend. If granted, can barriers be placed at all entrances and documentation provided that can be shared with the Sheriff and Fire departments to better traffic control. We will provide our volunteers, with approval to enter the command site, an identification pass.

We are planning to have the Saturday and Sunday events at the new site.

Also, we are planning to have a smaller event on that Friday night at the Royal Community Center. Thanks and advise.

Yours For Children,

Steele
