**Riverside Uniform Rentals
Florida**

Starke, Florida

Marianna, Florida

March 1, 2010

Dear Valued Customer,

Riverside Uniform Rentals, Inc. - Florida has been serving its customers in Florida for many years. Over our long history we have always prided ourselves in delivering the highest quality products and services.

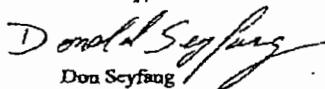

During the current recession, a number of our accounts tied to the housing and construction industry have gone out of business. As a result, it has become difficult for us to efficiently provide the level of service our customers have come to expect.

After careful consideration, we have decided to transfer our current Florida uniform rental business (excluding direct sale or first aid business) to Unifirst Corporation. Unifirst Corporation's values are very similar to ours and we trust that we are leaving you in good hands. We are pleased to announce that Mic Gainer, District Manager of our Marianna facility, along with all of our service staff, account managers, and I will continue to service you as employees of Unifirst. You will experience no changes in your level of service, and the terms of your current contract will remain the same.

Riverside Manufacturing Company, the parent of Riverside Uniform Rentals, Inc., will continue to do business in Florida, as well as nationally and internationally. Riverside Uniform Rentals, Inc. will continue to operate in Georgia, Alabama and South Carolina.

If you have any questions, please feel free to contact Mic Gainer or me. Thank you again for your business.

Sincerely,

Don Seyfaug

March 1, 2010

Dear Valued Customer,

Riverside Uniform has merged their industrial division with UniFirst Corporation in Florida effective March 1st, 2010. UniFirst was established in 1936 in Boston, Massachusetts. Today UniFirst Corporation is one of the largest suppliers in the uniform and textile industry servicing over 200,000 businesses throughout North America. UniFirst is publicly traded on the New York Stock Exchange as UNF.

Our number one goal through this transition is to allow little or no interference with the daily operation of your business.

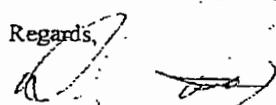

Your account will be assigned a service team that is comprised of the following positions:

- Route Sales Representative
- Customer Service Representative
- District Service Supervisor
- District Service Manager

If you have any issues, questions, or concerns that your Service Team is unable to resolve please let me know immediately. Our top priority at UniFirst is to build strong business relationships that meet our "Customers for Life" program.

Thank you for allowing us the opportunity to continue the business relationship that was initially established with Riverside Uniform.

Regards,

Dennis Peterson

 ** See paragraph #4

Conditions for this Agreement are on reverse.

Caution: The items supplied under this Service Agreement do not provide protection from flames, sparks, flammable fluids, high temperature, acids or other caustic materials. Customer warrants that none of the users for whom uniforms are supplied under this Agreement need flame resistant or acid resistant clothing.

1. On an as-needed basis and at no cost to the Customer, RUR will maintain, repair and/or replace any uniform under normal wear. All uniforms and service supplies remain the property of RUR. The Customer agrees to show responsibility and concern for the theft and destruction of RUR's property. If items are damaged (unless covered by garment maintenance program) or lost by any means, the Customer agrees to pay the current replacement value for said items. RUR's prices will be based on its current retail price from Riverside Manufacturing Company and/or its current vendor.
2. Damages to RUR caused by early termination are difficult to presently determine, and therefore, the parties agree, if this Agreement is terminated by Customer prior to the applicable expiration date for any reason, then Customer will pay to RUR, as liquidated damages and not as a penalty, 50% of the average weekly rental invoiced to Customer during the six months preceding the notice of termination, multiplied by the number of weeks remaining in the term of this Agreement, beginning with the date of termination. Customer agrees to also pay RUR all costs, including reasonable attorneys' fees, incurred by RUR to enforce Customer's obligations under this Agreement. If garments or items in use by the Customer are not items the Company normally stocks (i.e. special garments), upon discontinuance of service the Customer is required to purchase all such garments or items in service and/or in inventory based on RUR's prices.
3. All rental charges are due and payable in cash at the time of delivery; provided however, if Customer's credit is first approved by RUR then rental charges shall be due and payable by the fifteenth (15th) day of the month following delivery. Credit approval is contingent upon continuing credit worthiness and may be revoked at RUR's discretion. Delinquent accounts may be converted by RUR to cash on delivery payment status. All accounts more than 15 days past due shall bear interest at the lesser of 1 1/2% per month (18% per annum) or the maximum rate then allowed by law from date of original billing or invoice.
4. Environmental charges are to assist in offsetting the cost of cleaning RUR's wastewater and fees for same. The adjustable energy amount is to offset fluctuations of fuel pricing resulting in abnormal cost.
5. This Agreement is effective as of the date of last signature provided for below and shall remain in effect for ³⁶ months from the date of installation. ~~The Agreement shall be automatically renewed for one year unless either party gives written notice to the other party at least 60 days prior to the expiration of the term of this Agreement. The price of the rental will automatically increase but not exceed a 5% effective increase per year. *With provisions for 2 twelve month agreements upon approval.~~
6. No credit will be issued for normal vacation and sickness. In the case of an extended illness, RUR's representative must be notified and the appropriate uniforms must be returned.
7. If environmental laws render the performance of this Agreement impractical, it shall terminate at RUR's option.
8. ATTACHMENTS: Documents attached hereto and signed or initialed by the parties are addenda to this Agreement.
9. Customer Agreement Liability - The Customer warrants that Customer is not under agreement with any other company for the furnishing of the items that are the subject matter hereof. In the event legal action is brought against RUR concerning a customer agreement for such services, the Customer will be liable for all legal expenses and damages incurred by RUR.
10. Any disputes arising in connection with or relating to this Agreement shall be resolved by binding arbitration and not by lawsuit. The arbitration shall be conducted at a mutually agreeable location (or failing agreement, in the capital city of the state of Customer's primary location serviced by RUR) and shall be conducted under the Commercial Arbitration Rules of the American Arbitration Association.
11. This Agreement is effective as of the date of the last signature provided for below and is binding on and inures to the benefit of the personal representatives, successors and assigns of the parties and may be assigned by either party.
