HISTORY/FACTS/ISSUES:

Pastor Bill Ray of First Baptist Church of Bushnell, and the Sumter County Ministerial Association request the use of the grassy area just east of the Judicial Building, to conduct the National Day of Prayer assembly.

The time would be from 12:00 noon to 1:00 PM, May 3rd, 2012.

They have used the front of the Courthouse in the past, but due to the recently started construction there, and the repairs being effected on the Judicial Building, the area east of the Judicial Building would be better.

The Sumter County Sheriff's Office has been notified.

This is for the Board's consideration. Staff recommends approval. See attached email request.

Subject: National Day of Prayer

Dear Mr. Cottrell

The Sumter County Ministerial Association would like to request the use of the grassy area to the east of Judicial Building for the National Day of Prayer assembly at the Sumter County Courthouse. We have normally used the front of the Historic Courthouse but due to construction we would need to relocate to the area besides the Judicial Building. We would not disrupt the entrance area and would not block the emergency exits located in the porch area. The event would take place from 12:00noon to about 1:00pm on May 3rd. We appreciate your work for the citizens of Sumter County.

Sincerely,

Billy Ray
