STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION
LAP CERTIFICATION

575-095-05
RIGHT OF WAY
09/07

R/W ITEM/SEGMENT NO.: 428607-1 MANAGING DISTRICT: 5
CONSTRUCTION ITEM/SEGMENT NO.: 428607-1-58-01 STATE ROAD: n/a
F.A.P. NO. (Construction): ARRA-659-B DESCRIPTION: C-476B Resurfacing
COUNTY: SUMTER (Interstate 75 to C-476W)
LETTING DATE: 5/18/2010

The undersigned hereby certifies as follows:

Title to all property and easements needed for the above construction project is vested in the Florida Department of Transportation (Department) or a state or local government. Sufficient authority has been obtained to construct and maintain the proposed improvements on property and easements owned by state or local governments. Further:

Acquisition

- Right of way was not acquired for this project.
- Right of way was acquired for this project in compliance with applicable state and federal law.

Relocation

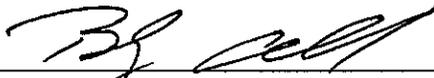

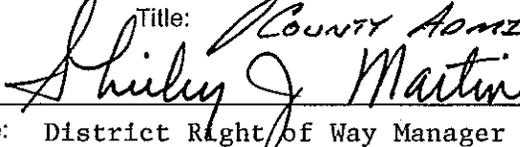

- No persons or businesses were required to move or move personal property from the project right of way.
- All persons and businesses that were required to move or move personal property from the project right of way have been provided relocation assistance in compliance with applicable state and federal law.

Demolition

- No structures or improvements, including encroachments, required removal from the project right of way.
- All structures and/or improvements, including encroachments, have been removed from the project right of way in compliance with applicable state and federal law, or will be included in the construction contract.

Asbestos Abatement

- No structures or improvements requiring asbestos abatement were located on the project right of way.
- Asbestos abatement of buildings and/or structures, including those to be removed by the construction contractor, has been completed in compliance with applicable state and federal law, or will be included in the construction contract.
