Brad,
Archie responded to me saying the language change is significant as the current language is in error.

Janet,

Do you see the changes as significant since the BOCC executed the contract already? I know attorneys like to mark their territory on the paper sometimes just for cause rather than for the operation of the business at hand.

Bradley

Subject: Geo Tech Engineer - Interlocal agreement

Good afternoon Bradley,

I received the two signed documents of the Interlocal Agreement between VCCDD and Sumter County. After reviewing the documents I noticed that changes had been made from the original I had sent to you. I sent the changes to Archie Lowry, District Counsel and he agreed with the changes and recommended two additional changes.

Section 6.1 now reads "This Agreement shall not be changed or modified in whole..." (removed; terminated or discharged)

Section 6.3 now reads "Neither the District nor County..." (removed; advisor and replaced with County)

I have incorporated all changes into the attached document. If you will have them signed and return to me I will take them to our board for approval and signature. I will forward you an original upon approval.

If there are any questions, please do not hesitate to contact me.

Diane Tucker
