HISTORY/FACTS/ISSUES:

The Lake-Sumter Metropolitan Planning Organization (MPO) convenes a Technical Advisory Committee (TAC). The TAC is comprised of planners and engineers (see 21010 Member List attached) from the various local governments comprising the MPO. Therefore, the input provided by the TAC is of a very technical nature. This may include making technical design recommendations and verifying that all documents conform to the appropriate standards. Joe Quinn, AICP, the former Transit Manager for Sumter County, was named for membership to the TAC representing Sumter County Transit on 11/10/09. Mr. Quinn is no longer employed by Sumter County BOCC. The alternate position is currently held by Deb Barsell. Consequently, we are requesting that David Levesque, Transit Manager, be named to serve as TAC member representing Sumter County Transit. Deb Barsell, Community Services Director, was named as the alternate on 11/10/09 and will continue to serve in that role.
