Dear X:

The purpose of this letter is to inform you of a significant rate change for the dependents of deceased retired employees to be effective October 1, 2011.

Dependents of retired employees may elect to remain in the health plan when the retired employee becomes deceased. The premium rate charged has been the dependent rate in force at that time and is revised periodically. The standard in this situation is for the dependent to be charged the employee rate when the employee becomes deceased.

Effective October 1, 2011, the plan will be implementing the standard as described. The premium for your coverage will be the employee rate for the category you are in. We project this rate to be approximately \$300 per month.

We are providing this information well in advance of the change in order to provide you with time to plan for the increase or to acquire other secondary insurance.

Please contact our office for questions about this change.

Very truly yours,

Bradley Arnold
County Administrator
