**Re: North Sumter County Utility Dependent District
Established by Sumter County Ordinance 2010-10**

Dear Ms. Tutt:

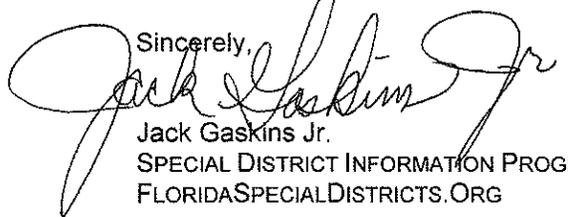

Thank you for registering the special district identified above with the Special District Information Program. Based on Section 189.403(2)(d), *Florida Statutes*, I have classified the district's status as dependent because Sumter County either approves or vetoes the special district's budget.

All special districts must comply with the requirements of Chapter 189, *Florida Statutes* and Rule Chapter 9B-50, *Florida Administrative Code*. As part of these requirements, please verify and update the information on the enclosed **Special District Fee Invoice and Update Form**, sign and date it, then return it, along with the fee, to the address below by the due date on the form. It is very important that the information on this form be complete and accurate since we must make this information available through the *Official List of Special Districts Online* for use by numerous state and local agencies.
