N/A

---

**HISTORY/FACTS/ISSUES:**

Power Pro-Tech Generators is currently under contract with Sumter County for scheduled inspections, routine repairs and emergency maintenance services to the generators.

The contract was executed on 2/24/09 for one year with a provision to renew the contract with consent of the vendor, under the same terms and conditions for two additional one year terms.

The Facilities Maintenance Department request the contract be renewed for an additional one year term, for the purpose of generator services.

**APPROVED**

Dec 29, 2009

**SECOND AMENDMENT TO AGREEMENT  
BETWEEN SUMTER COUNTY AND  
POWER PRO TECH SERVICES, INC**

**WHEREAS**, on or about February 24, 2009, Power Pro Tech Services, Inc. (“Contractor”), and the Board of County Commissioners of Sumter County, Florida, a subdivision of the State of Florida (“Sumter County”), entered into an Agreement (the “Agreement” or “Contract”), in which the Contractor agreed to provide generator repair and inspection services for the benefit of Sumter County, and;

**WHEREAS**, the parties wish to amend the Contract to more accurately memorialize the intentions of the parties with regard to the extension of services of the Agreement pursuant to the Contract.

**THEREFORE**, the parties hereto, being fully advised of the terms herein, and having been advised by legal counsel, do hereby agree to amend the Contract by this writing (the “Amendment”) and state the following:

1. That the “WHEREAS” recitals above are hereby acknowledged as true and accurate and are incorporated as if stated herein.
2. **As to the Original Contract:**

**The following language shall replace the original language of the unnumbered paragraphs of the Contract beginning with “It is agreed that the work to be done ...” and ending with “negotiation of price by the Contract Manager and Vendor” and shall be acknowledged as enforceable by both parties hereto:**

This Contract shall be for a term commencing February 24, 2009 and ending February 23, 2010, with a provision for two additional 12 month extensions upon mutual approval. Either party may cancel the contract upon the provision of 30 days written notice, either by electronic or U.S. mail. Sumter County may increase or decrease the scope of service provided by the Contractor upon the provision of 30 days written notice, either by electronic or U.S. mail.

3. It is agreed that the work to be done under this Contract is to provide all services as set forth in the “Generator Maintenance Contract”, proposal, standard specifications and any addenda thereto, said documents attached hereto and incorporated herein as consolidated Exhibit “A”. Contractor acknowledges its roll as “Primary Contractor on Call”.
4. The Contract is hereby extended for one (1) twelve month period, beginning February 24, 2010 and ending February 23, 2011. The terms of this Amendment shall become effective upon commencement of the extension recognized herein.
5. Any provision of the Contract not replaced or contradicted by this Amendment remains in full force and effect. In the event of any conflict

between the terms of this Amendment and the Contract, the terms of this Amendment shall prevail.

Dated this 29<sup>th</sup> day of December 2009

POWER PRO-TECH SERVICES, INC.

  
By: Tom Britt, its Director  
of Sales

SUMTER COUNTY

  
Honorable Doug Gilpin, Chairman  
Board of County Commissioners

## CONTRACT

This contract, made this 24<sup>th</sup> of February, 2009, between the Sumter County Board of County Commissioners, hereinafter called the party of the first part and POWER PRO-TECH SERVICES of APOPKA, FLORIDA or his, its, or their successors, executors, administrators and assigns, hereinafter called the party of the second part:

WITNESSETH: That the said party of the second part agrees with the said party of the first part, for the consideration herein mentioned and at his, its, or their own proper cost and expense, to do all the work and furnish all the materials, equipment, supplies and labor necessary to carry out this agreement in the manner and to the full extent as set forth in the Proposal and manufacturer's recommendations or other adopted standards for generator maintenance, any and all of which are hereby adopted and made part of this agreement as completely as if incorporated herein, and to the satisfaction of the duly authorized representatives of the Sumter County Board of County Commissioners, who shall have at all times full opportunity to inspect the materials to be furnished and the work to be done under the agreement.

It is agreed that the work to be done under this contract is to construct all work as set forth in this contract for the "Generator Maintenance Contract", as shown by the attached proposal, and standard specifications, and any addenda thereto as Primary Contractor On Call.

The County retains the right to renew this contract, with the consent of the vendor, under the same terms and conditions for two (2) additional one (1) year terms. Additional items and/or services may be added to this contract upon satisfactory negotiation of price by the Contract Manager and Vendor.

Also the party of the second part agrees to the following Insurance and Indemnification provisions:

1. Insurance – The contractor shall purchase and maintain comprehensive general liability and other insurance as will provide protection from claims set forth below which may arise out of or result from contractor's performance of the work and contractor's other obligations under the contract documents, whether such performance is by contractor, by any sub-contractor, by anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable:
  - a. Claims under worker's compensation;
  - b. Claims for damages because of bodily injury, occupational sickness or disease, or death of contractor's employees;
  - c. Claims for damages because of bodily injury, sickness or disease or death of any person other than contractor's employees;
  - d. Claims for damages insured by personal injury liability coverage which are sustained by:
    - (1) any person as a result of offense directly or indirectly related to the employment of such person by contractor or;
    - (2) by any other person for any other reason;

- e. Claims for damages, other than to the work itself, because of injury to or destruction of tangible property, including loss of use resulting therefrom and;
- f. Claims for damages because of bodily injury or death of any person or property damage arising out of the ownership, maintenance or use of motor vehicle.

The insurance required by this paragraph shall include the specific coverage and be written for not less than \$1,000,000 (million dollar umbrella). The comprehensive general liability insurance shall include completed operations insurance. All such insurance shall contain a provision that the coverage afforded shall not be cancelled, materially changed or renewal refused until at least thirty days prior written notice has been given to Sumter County. All such insurance shall remain in effect until final payment under this contract and at all times thereafter when contractor may be correcting, removing or replacing defective work in accordance with all provisions of this contract or the bid specifications. In addition, contractor shall maintain such completed operations insurance for at least two years after final payment and furnish Sumter County with evidence of continuation of such insurance at final payment and one year thereafter.

The comprehensive general liability insurance required by this paragraph will include contractual liability insurance applicable to the contractor's obligations under the indemnification provision set forth below.

- 2. Indemnification – To the fullest extent permitted by law, the contractor shall indemnify and hold harmless Sumter County and its agents and employees from and against all claims, damages, losses and expenses including but not limited to attorney's fees arising out of or resulting from the performance of the work, provided that any such claim, damages, loss or expense:
  - a. is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the work itself) including the loss of use resulting there from and;
  - b. is caused in whole or in part by any negligent act or omission of contractor, any sub-contractor, or anyone directly or indirectly employed by any of them or anyone whose acts any of them may be liable, regardless of whether or not it is caused by a party indemnified hereunder.

In any and all claims against Sumter County or any of their agents or employees by any employees of contractor, any sub-contractor, or anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable, the indemnification obligation under this paragraph shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for contractor or any sub-contractor under worker's compensation acts or other employee benefit acts.

In consideration of the foregoing premises, the party of the first part agrees to pay the party of the second part for all items of work performed and materials furnished at the unit and lump sum prices and under the conditions set forth in the attached proposal. Contractor shall submit invoice upon completion of project. Invoice shall be broken down by cost for work performed at each location pursuant to the provisions of the Local Government Prompt Payment Act, Fla. Stat. Chap 218. Said invoice shall be subject to audit by the Sumter County Project Manager prior to submission to the Clerk and Auditor to the Board for final payment.

In the event of default by either party hereto, the defaulting party shall be liable for all costs and expenses, including a reasonable attorney's fee, incurred by the other party and enforcing its rights hereunder, whether litigation be instituted or not, and at the trial court and appellate court level. Contractor does hereby specifically waive its "venue privilege" and or "diversity of citizenship privileges" and agrees specifically that any action for the enforcement, construction, or interpretation of this agreement shall be maintained in the County or Circuit Court for Sumter County, Florida, and Contractor hereby specifically waives its right to institute any action of any kind or nature whatsoever against the board in any other state or Federal Court or administrative tribunal.

**IN WITNESS WHEREOF**, the party of the first part has hereunto subscribed by the Sumter County Board of County Commissioners, and party of the second part has affixed his, its, or their name or names and seal, the date aforesaid

**NOTICE OF AWARD**

TO: POWER PRO TECH SERVICES

240 CIRCLE DRIVE

MAITLAND, FLORIDA 32751

Project Description: **Generator Maintenance Contract**

The OWNER has considered the RFP submitted by you for the above described work in response to its Request for Proposals dated 1/5/2009.

You are hereby notified that your RFP has been accepted for the unit prices for the listed items in the REQUEST FOR PROPOSAL.

You are required by the Instruction for Bidders to execute the Agreement and furnish the required certificates of insurance within ten (10) calendar days from the date of this Notice to you.

If you fail to execute said Agreement and to furnish said insurance within ten (10) days from the date of this Notice, said OWNER will be entitled to consider all your rights arising out of the OWNER'S acceptance of your RFP as abandoned. The OWNER will be entitled to such other rights as may be granted by law.

Please acknowledge the NOTICE OF AWARD and return to:

Mr. Bradley Arnold  
Sumter County Board of County Commissioners  
910 North Main Street Suite 201  
Bushnell, FL 33513

Original Workorder #: 210935

**Job Description:**

Replacement of old/weak batteries which are in need of immediate replacement, clean battery trays and cable ends. Air filters are dirty and appear to be original. Fuel hoses are dry rotted and on need of replacement as they are showing physical signs of failure. Perform repairs and test run unit of fire to ensure proper operation.

UnitID	Unit Location	Manufacturer	Model	KW	Serial Number
