RE: FY 2010-11 Contract between the Sumter Board of County Commissioners and the Department of Health for operation of the Sumter County Health Department

Dear Chairman Burgess:

As specified in paragraph 4, section d, of the above referenced contract, either party may increase or decrease funds to the contract upon written notification to the other party. Enclosed is the following:

- An updated summary of funding revisions
- Page 2 of the contract reflecting updated funding adjustments
- Revised Attachment II, Parts II and III, incorporating the changes indicated in the summary and covering the period subsequent to the contract amendment
- A revised Attachment II, Part I
- Attachment VI, update to last paragraph

If you have any questions, please contact me at (352) 793-6979, extension 242.

Sincerely,

Keith Hunter, R.S., M.P.H.
Acting CHD Director
Sumter County Health Department

funds and shall include those services mandated on a state or federal level. Examples of environmental health services include, but are not limited to, food hygiene, safe drinking water supply, sewage and solid waste disposal, swimming pools, group care facilities, migrant labor camps, toxic material control, radiological health, and occupational health.

b. "Communicable disease control services" are those services which protect the health of the general public through the detection, control, and eradication of diseases which are transmitted primarily by human beings. Communicable disease services shall be supported by available federal, state, and local funds and shall include those services mandated on a state or federal level. Such services include, but are not limited to, epidemiology, sexually transmissible disease detection and control, HIV/AIDS, immunization, tuberculosis control and maintenance of vital statistics.

c. "Primary care services" are acute care and preventive services that are made available to well and sick persons who are unable to obtain such services due to lack of income or other barriers beyond their control. These services are provided to benefit individuals, improve the collective health of the public, and prevent and control the spread of disease. Primary health care services are provided at home, in group settings, or in clinics. These services shall be supported by available federal, state, and local funds and shall include services mandated on a state or federal level. Examples of primary health care services include, but are not limited to: first contact acute care services; chronic disease detection and treatment; maternal and child health services; family planning; nutrition; school health; supplemental food assistance for women, infants, and children; home health; and dental services.

4. FUNDING. The parties further agree that funding for the CHD will be handled as follows:

a. The funding to be provided by the parties and any other sources are set forth in Part II of Attachment II hereof. This funding will be used as shown in Part I of Attachment II.

i. The State's appropriated responsibility (*direct contribution excluding any state fees, Medicaid contributions or any other funds not listed on the Schedule C*) as provided in Attachment II, Part II is an amount not to exceed \$ 1,357,301 (*State General Revenue, Other State Funds and Federal Funds listed on the Schedule C*). The State's obligation to pay under this contract is contingent upon an annual appropriation by the Legislature.

ii. The County's appropriated responsibility (*direct contribution excluding any fees, other cash or local contributions*) as provided in Attachment II, Part II is an amount not to exceed \$655,479 (*amount listed under the "Board of County Commissioners Annual Appropriations section of the revenue attachment*).

b. Overall expenditures will not exceed available funding or budget authority, whichever is less, (either current year or from surplus trust funds) in any service category. Unless requested otherwise, any surplus at the end of the term of this Agreement in the County Health Department Trust Fund that is attributed to the CHD shall be carried forward to the next contract period.

SUMTER COUNTY HEALTH DEPARTMENT
PRIMARY CARE

“Primary Care” as conceptualized for the county health departments and for the use of categorical Primary Care funds (revenue object code 015040) is defined as:

“Health care services for the prevention or treatment of acute or chronic medical conditions or minor injuries of individuals which is provided in a clinic setting and may include family planning and maternity care.”

Indicate below the county health department programs that will be supported at least in part with categorical Primary Care funds this contract year:

- Comprehensive Child Health (229/29)
- Comprehensive Adult Health (237/37)
- Family Planning (223/23)
- Maternal Health/IPO (225/25)
- Laboratory (242/42)
- Pharmacy (241/93)
- Other Medical Treatment Program (please identify) STD, HIV/AIDS, TB, Tobacco, Chronic Disease Prevention, WIC, Healthy Start, School Health

Describe the target population to be served with categorical Primary Care funds.

Sumter County Health Department provides primary care services to County Residents under age 18 that qualify at or below 100% of OMB poverty level and provides adult immunizations in program 237 for a fee.

Does the health department intend to contract with other providers for the delivery of primary health care services using categorical (015040) Primary Care funds? If so, please identify the provider(s), describe the services to be delivered, and list the anticipated contractual amount by provider. In addition, contract providers are required to provide data on patients served and the services provided so that the patients may be registered and the service data entered into HMS.
