PROPOSED CHANGE:

<u>Current Future Land Use Designation</u>	<u>Acres</u>	<u>Proposed Future Land Use Designation</u>
Agriculture	10 acres	Commercial

GENERAL DESCRIPTION AND BACKGROUND

This application requests a Small Scale Future Land Use amendment from Agriculture (1 dwelling unit/10 acres) to Commercial. The application consists of one parcel encompassing approximately 10 acres within the Wildwood area of unincorporated Sumter County. The subject property is located on the east side of US 301 approximately 1/3 mile south of C-466. The subject property has not been the subject of a future land use amendment within the past year. See Map 1 for project location and adjacent uses.

SURROUNDING LAND USE AND ZONING

The properties to the north, south, and west of the subject property have a Future Land Use of Agricultural and Commercial. In addition, properties to the west of the subject property are located within the City of Wildwood with a commercial land use and zoning designation. The property to the east of the subject property has a Future Land Use of Agriculture. However, the property to the east is owned by the applicant.

The subject property is located within the joint planning area with the City of Wildwood. The proposed Commercial Future Land Use of the subject property is consistent with the conceptual land use pattern approved through the adoption of the Interlocal Service Boundary Agreement with the City of Wildwood.

The proposed Commercial Future Land Use is consistent with the existing development pattern of the surrounding area.

LAND USE SUITABILITY

Urban Sprawl

The subject property is adjacent to the County’s Urban Development Boundary. In addition, the subject property is within 1/3 mile of the intersection of US 301 and C-466. The US 301/C-466 intersection has been identified by the County and the City of Wildwood as potential future major commercial node.

Environmental Resources

The subject property is comprised primarily of pasture land with a single-family home in the northwest corner. The subject property has no wetlands and is not within the 100-year floodplain. The subject property is not within an Area of Environmental Concern as identified on Map VII-15 of the Sumter County Comprehensive Plan.

Historic Resources

No historic resources will be impacted by this application. This location does not appear on the Master Site File of Historic Resources in the Sumter County Comprehensive Plan.

Population and Housing

The proposed amendment to Commercial will decrease the potential number of dwelling units from 1 to 0 and population from 2 to 0 for the subject property:

CONCURRENCY ANALYSIS

This proposed amendment to the Sumter County Comprehensive Plan will have no affect on water distribution and wastewater treatment capacities. The property will be served by private well and septic. However, the City of Wildwood plans on providing water and sewer service to this area. At the time of the extension and availability of water and sewer to the subject property, the subject property will be required to connect to the water and sewer services.

There is no impact anticipated with the proposed amendment in level of service (LOS) for recreation.

The subject property is accessed via a major arterial US 301. US 301 is four-laned from C-466 to the northern limit of the subject property. US 301 from the northern limit of the subject property to downtown Wildwood is committed to be four-laned through an executed agreement between the Florida Department of Transportation and the Villages of Lake-Sumter, Inc. Consequently, the LOS analysis assumes US 301 to be four-laned. The anticipated increase in trip generation from the proposed amendment does not exceed the adopted LOS capacity for US 301.

Roadway Segment	Pre-Amendment Traffic		Post-Amendment Traffic		Adopted LOS Capacities		Meets LOS
	Daily Traffic	Peak Hour Traffic	Daily Traffic	Peak Hour Traffic	Daily Capacity	Peak Hour Capacity	
US 301	15,100	1,450	18,525	1,749	33,200	3,290	Yes

Pre-Amendment Traffic from FDOT 2008 Traffic Counts - Adopted LOS from Sumter County Concurrency Management System
 US 301 Analyzed as LOS D

INTERNAL CONSISTENCY

This proposed amendment will require amendments to the Sumter County Comprehensive Plan’s Future Land Use Map of the Future Land Use Element.

Future Land Use Element

The proposed changes to the Future Land Use Element would reflect changes in the allocated inventory for Agriculture lands, which would decrease by 10 acres MOL, and increase the allocated inventory of Commercial lands by 10 acres MOL.

Future Land Use Map

The proposed changes in the Future Land Use Map will change the designation of the subject property from Agriculture to Commercial. Map 2 shows the change on the Future Land Use Map.

PROPOSED AMENDMENT TO THE TEXT OF THE COMPREHENSIVE PLAN

This proposed amendment does not affect the text of the Comprehensive Plan.

PROPOSED AMENDMENT TO THE CAPITAL IMPROVEMENTS PLAN

This proposed amendment does not affect the Capital Improvements program as outlined in the Sumter County Comprehensive Plan.
