Chairman Don Burgess  
Sumter County Board of County Commissioners  
7375 Powell Road  
Wildwood, FL 34785

Dear Chairman Burgess,

During its last Board Meeting, the Supervisors of Village Community Development District No. 3 addressed the recurring issues and concerns with regard to Oak Forest Drive in Sumter County, Fl. This discussion was put on hold until the multi-modal path reconstruction project was completed. It is the District's opinion the reconstruction has had a beneficial effect for golf carts, but no positive effect on the volume and speed of vehicles on Oak Forest Drive traffic.

Though the Village Community Development District No. 3 Board has no jurisdiction of this road, residents continue bring their safety concerns to our attention. In an effort to alleviate symptoms created by increased traffic on this road, multiple solutions were suggested during the meeting.

The Board of Supervisors of the Village Community Development District No. 3 would like to formally request that the following recommendations on Oak Forest Drive be considered by Sumter County:

- The installation of a double yellow line.
- Reduction of the speed limit to 15 mph.

We appreciate your consideration of this request.

Sincerely,

Charles F. Cook  
Chairman, CDD 3
