Dina,

I need to know if Ameritech Elevator and Escalator, Inc. is interested in the contract with Sumter County. I have not received a response reference the approved contract from your office. I need an answer as soon as possible, if one is not received, we will have to rebid the contract. I called your office this morning and was told that you would return my call. Please respond to this e-mail to let me know what you have found out or if you require any additional information from Sumter County. As I stated in the below e-mail, our elevators are due servicing. Please let me know if you need any assistance from me and I will be glad to help.

Thank You,

Richard Cobb, Maintenance Supervisor
