HISTORY/FACTS/ISSUES:

Sumter County desires to furnish communication service to the southern portion of the Courthouse Campus on Seminole Avenue. Installation of aerial cables, wire and associated appurtenances to City of Bushnell utility or service poles is required.

The City of Bushnell is willing to permit the attachment of said cables, wires, and apurtenances to its solely owned utility or service poles at no cost in exchange for Sumter County deeding a small area for a City of Bushnell wastewater lift station on the extreme Southwest portion of the campus property.
