HISTORY/FACTS/ISSUES:

Each year for the past several years, the Public Works Division has supported the Annual Clean Up of the Richloam Area.

This year the City of Webster, Richloam Sportsman Association and Florida Wildlife Commission request our continued support on Saturday, August 13, 2011.

If approved the PWD would provide 2 x County employees, a County Prison crew of 4, a County pick up, 3 x 40 CY bins and one Roll Off truck to handle the bins. The PWD will dispose of the trash that is collected in the bins.

This is estimated to cost less than \$1000 for the day

See attached request letter from the City of Webster Police Department.

REF: 11th Annual Clean Up Day for Richloam Area

Dear Mr. Arnold,

It is that time of year again when the Richloam Sportsman Association and Florida Wildlife Commission / Forestry sponsors the annual clean up in the South end of the County. In the past you have graciously provided assistance through your Public Works Department by providing dumpsters, loaders and personnel. We are again requesting assistance for the 13th day of August 2011 at the Fish Hatchery on SR 471.

Please let me know as soon as possible as we also provided food for the workers and guests.

Thanks in advance,

Dennis L. Johnson
Richloam Sportsman Association
