RE: Professional Geotechnical and Materials Testing Service Continuing Contract Extension

Dear Mr. Cotrell:

We are in receipt of your recent renewal offer to implement the first year renewal option for our continuing contract. **Nodarse & Associates, Inc.** welcomes the opportunity to continue serving the County under the current terms and conditions of our contract agreement which includes a \$5.00 per hour discount on our personnel hourly rates. This most favored client courtesy discount was extended to the County after our original contract was executed and we wish to continue that discount as part of this renewal extension agreement.

The most favored courtesy discount referenced above will be automatically deducted when calculating future task orders.

We appreciate the opportunity to continue working with Sumter County. Should you need any additional information or if I may ever be of any assistance to you, please don't hesitate to contact me directly.

Sincerely,

NODARSE & ASSOCIATES, INC.

Richard G. Acree, P.E., SVP
Contract Manager

Planning and Roadway Engineering

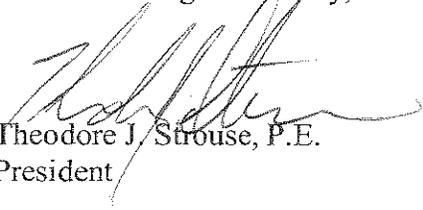

Subject: Renewal of Service Agreement
For Professional Geotechnical and Materials Testing Services
CTL Proposal No. 118108.100

Dear Mr. Wert:

Central Testing Laboratory, Inc. (CTL) accepts your offer for renewal of the Service Agreement between Sumter County and CTL for Professional Geotechnical and Materials Testing Services. Our current agreement is due to expire August 31, 2011 unless renewed for an additional one-year term. CTL is willing to renew the contract with the same terms and conditions and without an increase in unit prices.

CTL appreciates the opportunity to provide these services to Sumter County and looks forward to continuing our working relationship. Should you have any questions, or if further action is required on our part, please contact me at your earliest convenience at (352) 787-1268, (352) 728-2245 fax, or tstrouse@ctlfl.com.

Respectfully Submitted,
Central Testing Laboratory, Inc.
