Re: Federal Fiscal Year (FFY) 2011 Edward Byrne Memorial Justice Assistance
Grant (JAG) Program – JAG Countywide – State Solicitation

Dear Chairman Burgess:

The Florida Department of Law Enforcement (FDLE) anticipates an award from the United States Department of Justice for FFY 2011 JAG funds. FDLE will distribute these funds in accordance with the JAG Countywide distribution provisions of Chapter 11D-9, Florida Administrative Code.

FDLE has set aside \$68,205 funds for use by all units of government within Sumter County. The enclosed Program Announcement provides an overview of these funds which can be used by local units of government to support a broad range of activities to prevent and control crime and to improve the criminal justice system. Please note that the Program Announcement includes information from the U.S. Department of Justice relating several areas of national focus and its priorities to help maximize the effectiveness of the Byrne/JAG funding.

As a condition of participation in this program, the units of government in each county must reach a consensus concerning the expenditure of these funds. This consensus must include the projects to be implemented as well as the agency responsible for such implementation.

Developing such consensus will require someone to exercise leadership and assume a coordinating role in the development of applications for these funds. FDLE recommends that the Board of County Commissioners assume this responsibility. In the event the county declines to serve in this capacity, the Department will request the governing body of each municipality in the county, in descending order of population, to serve as the coordinating unit of government.

**PROGRAM ANNOUNCEMENT
FEDERAL FISCAL YEAR 2011**

**Edward Byrne Memorial
Justice Assistance Grant (JAG) Program**

The State of Florida, Department of Law Enforcement (FDLE), anticipates an award from the United States Department of Justice (USDOJ) for \$9,549,906 in Justice Assistance Grant (JAG) funds. FDLE will distribute these funds in accordance with the JAG Countywide distribution provisions of Chapter 11D-9, Florida Administrative Code. This announcement is to notify eligible applicants of program requirements. Please note this Program Announcement includes information from the USDOJ relating several areas of national focus and its priorities to help maximize the effectiveness of the Byrne/JAG funding.

Eligible Applicants

Units of local government are eligible to receive subgrants from FDLE. "Units of local government" means any city, county, town, township, borough, parish, village, or other general-purpose political subdivision of a State and includes Native American Tribes that perform law enforcement functions as determined by the Secretary of the Interior.

Program Strategy and Purposes

JAG blends the previous Byrne Formula and Local Law Enforcement Block Grant (LLEBG) Programs to provide agencies with the flexibility to prioritize and to support a broad range of activities to prevent and control crime based on their own local needs and conditions. JAG funds can be used for state and local initiatives, technical assistance, training, personnel, equipment, supplies, contractual support, and information systems for criminal justice. Local units of government receiving JAG funding have the flexibility to implement projects in any of the seven federally approved purpose areas, listed below.

- 1) Law enforcement programs
- 2) Prosecution and court programs
- 3) Prevention and education programs
- 4) Corrections and community corrections programs
- 5) Drug treatment and enforcement programs
- 6) Planning, evaluation, and technology improvement programs
- 7) Crime victim and witness programs

Any law enforcement or justice initiative previously eligible for funding under Byrne or LLEBG is eligible for JAG funding.

Coordination Efforts

Each county is allocated a sum of money for use by all local governments within the county. This amount is determined through a funding algorithm established in the administrative rule.

Chapter 11D-9.005, Florida Administrative Code, requires that units of government in each county reach consensus concerning the expenditure of these funds, including the projects to be implemented and the agency responsible for such implementation. Maximum coordination is required to meet this program requirement, and the Department requests the county board of commissioners to serve as the coordinating unit for all local governments within the county. The Chairman, Board of County Commissioners, in each county so notified is requested to return to the Department a statement of certification indicating the county's willingness to serve. This certification must be returned within 30 days from the date of receipt of notification. In the event the county declines to serve in this capacity, the Department will request the governing body of each municipality in the county, in descending order of population, to serve as the coordinating unit of government.

Each county or coordinating unit of government is encouraged to form a criminal justice coordinating/planning group to identify and implement criminal justice priorities for the county, to plan strategies to address those priorities, to identify areas of greatest need, and to review all possible sources of revenue to make sure that funds go to the programs or issues that need them most.

Furthermore, FDLE requires that units of government in each county reach consensus concerning the expenditure of the JAG funds, including the projects to be implemented and the agency responsible for such implementation. Each county must document this consensus by submitting letters from at least 51 percent of the units of government which also represent at least 51 percent of the population located in said county.

Match Requirements

There is no match requirement under the guidelines of the JAG program.

DOJ/Bureau of Justice Assistance (BJA) Priorities

BJA wishes to ensure that recipients are aware of several areas of national focus and priority and to encourage recipients to maximize the effective use of JAG funds. The following is a brief list of key priorities:

- 1) Counterterrorism and Information Sharing/Fusion Centers
- 2) Evidence-Based Programs or Practices
- 3) Economic Crime
- 4) Reentry and Smart Probation
- 5) Indigent Defense
- 6) Children Exposed to Violence
- 7) Interoperable Communications

For more information on BJA's priorities, recipients may access: <http://www.ojp.usdoj.gov/BJA/grant/11JAGLocalSol.pdf> (see pages 2 and 3). This is for informational purposes only; do not apply for any funds through this solicitation. Recipient must still submit application for funding through SIMON.

Application Requirements and Deadlines

Once the Certificate of Participation form designating the coordinator for your county is received, the Office of Criminal Justice Grants will send this individual further information regarding the application process.

Applicants must apply on-line using FDLE's grant management system. The deadline for the on-line submission is **5:00 P.M., Friday, July 22, 2011**. In addition, applicants must print out the completed application and submit **two (2) hard copies** (both with *original signatures*) no later than **5:00 P.M., Friday, July 29, 2011**. **A separate application must be submitted for each proposed project.** Applications should be mailed or hand delivered to the Florida Department of Law Enforcement, Office of Criminal Justice Grants, 2331 Phillips Road, Tallahassee, Florida 32308, Attention: Clayton H. Wilder, Administrator.
