Dear Ms. Nicolette:

Bobby Jernigan  
*Executive Director*

Enclosed is the new Subcontracted Transportation Provider contract for the Medicaid NET services between the Commission for the Transportation Disadvantaged (CTD) and your organization to provide services in the above referenced county. This Contract is contingent upon an annual appropriation by the Legislature.

Although this contract is a multi-year contract, the Commission cannot expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. The total contract amount listed in this contract includes amounts estimated for the period of July 2009 through August 2011 and are subject to change based on legislative appropriations.

In an effort to ensure sufficient funding to provide the required level of service, staff is currently reviewing and analyzing data in anticipation of future reallocation of funds as well as formula modifications.

Please print, execute and return two (2) original copies of this contract to the CTD at the address provided below. Once fully executed, an original executed contract will be returned to you for your records.

The CTD looks forward to working with you over the next three years as we continue to provide the most cost-effective and efficient transportation services for those individuals who qualify for this service. If you have any questions regarding this contract, please contact Sheri Powers at (850) 410-5710.

Sincerely,

Bobby Jernigan  
Interim Executive Director
