Larry Connell
Division of Forestry
Bushnell, FL 335123

Dear Mr. Connell

We are in possession of two trucks and a mobile water tank that was loaned to us by the Division of Forestry for use throughout the county. At this time, we are not using these units due to the high cost of maintenance and the fact that we have replaced them with newer equipment.

As stated in the agreement we would like to return the following units back to the Division of Forestry with our thanks for providing the Fire Service. These units have served the County well over the years that we had the use of them.

1970	American General Brush Truck	0532-11618
1985	Chevrolet pick-up	1GCGD34JOGF322698
	Mobile Water Tank	VT-4590-79

Thanks again for your help and cooperation.

Sincerely,

Leland Greek, Chief
Sumter County Fire & EMS
