Bushnell, FL 33513
Faxed to : 352-793-0247

Dear Mr. Kuhl:

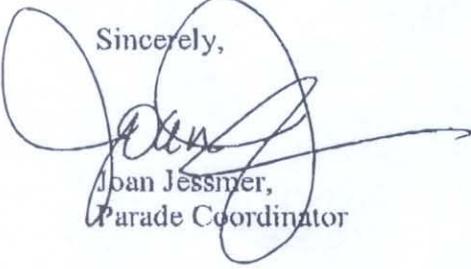

The City of Bushnell has recently received approval for road closing during the Bushnell Fall Festival Parade scheduled October 17, 2009. It has come to my attention that said application/approval does not include assistance from Sumter County during the parade.

Therefore, I am submitting this request for assistance from the Sumter County Public Works Department during the Bushnell Fall Festival Parade. It is my understanding that the assistance needed will be the same assistance that has been provided in the past years and include signs, barricades and man power.

Any clarification needed can be obtained from Joyce Wells & Ronnie Pitts, City of Bushnell as well as Jackie Jackson, Sumter County Public Works Dept. they are the individuals that have coordinated this assistance in the past.

Your time and consideration is greatly appreciated and I hope to hear from you soon.

Sincerely,

Joan Jessmer,
Parade Coordinator
