HISTORY/FACTS/ISSUES:

FDOT Project Number 240418-2, consists of widening CR 48 in Bushnell from I-75 to CR 475 (Main Street). To accommodate this widening, the state needs to acquire three very small parcels (100 A, B, and C), that belong to Sumter County along the existing right of way. The total area requested is 1061 square feet.

Attachment 1 is the notification letter sent by FDOT to Public Works.

Attachment 2 is the County deed that the Chairman would sign if the BOCC agrees.

Attachment 3 is the resolution that the Chairman would sign, certifying the transfer of the deed.

Attachment 4 is a set of plans (half size) that show the project and the parcel locations (specifically sheets 7 and 8).

Staff recommends approval of this action.
