This AGREEMENT, made and entered into this _____ day of _____ 20__ by and between the DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES, State of Florida, the Department, and **Sumter County**, acting for and on behalf of the **Sumter County Mosquito Control**, the Contractor.

CONTRACT PERIOD: October 1, 2011 through September 30, 2012

When state funds are involved, it is the duty of the Department to guide, review, approve, and coordinate the activities of all county governments and special districts receiving state funds in furtherance of the goal of integrated mosquito control.

The CONTRACTOR agrees to comply with the following statutory language of Chapter 388, F.S. and Administrative Code 5E-13.

An operational work plan on **DACS form 13666** entitled "**Operational Work Plan Narrative**", a signed acknowledgment of notification of being subject to **Section 215.97, F.S.** and a detailed work plan on **DACS form 13623** entitled "**Detailed Work Plan Budget**" providing for the control of mosquitoes are to be filed with the Department **not later than July 15, 2011.**

Following approval of the work plan and detailed work plan budget by the Department, **two notarized(certified)** copies of the county's or district's certified budget on form **DACS form 13617**, entitled "**Annual Certified Budget for Mosquito Control**" shall be submitted to the Department **not later than September 15, 2011.** If any changes are made (i.e. local cash carry forward, etc.) to the **Annual Certified Budget for Mosquito Control** after October 1st, a budget amendment on **DACS form 13613** entitled "**Arthropod Control Budget Amendment**" must be submitted to the Department **not later than October 30, 2011.** **NO EXCEPTIONS WILL BE MADE.**

Budget amendments on **DACS form 13613**, entitled "**Arthropod Control Budget Amendment**," and hereby incorporated by reference shall be prepared and submitted to the Department ***prior*** to over-expending funds in any account or expending funds in non-budgeted accounts. Budget amendments must be explained by accompanying requests for approval of changes to be made in the detailed budget. Department approval of the amendment(s) must be received ***before*** such expenditures are made.

Not later than thirty(30) days after the end of each month (i.e. October reports are due by December 1st), each district or county shall submit a monthly financial report to the Department on **DACS Form 13663**, entitled "**Mosquito Control Monthly Report**" for **Local Funds** and **DACS Form 13650** entitled "**Mosquito Control Monthly Report**" for **State Funds**, hereby incorporated by reference. A district or county shall submit **two(2)** copies of its September financial report to the Department not later than sixty (60) days after close of each fiscal year. Copies of reports shall be signed by program director or person responsible for administration of the program and funds. Any county or district ***withdrawing*** from participation in state matching funds under Chapter 388, F.S., shall continue to submit financial reports as required in 5E-13.027(3) until funds received under this program are exhausted.

All purchases of supplies, materials and equipment by counties or districts shall be made in accordance with the laws governing purchases by boards of county commissioners, except that districts with special laws relative to competitive bidding shall make purchases in accordance therewith.

All funds, supplies, and services released to counties and districts here under shall be used in accordance with the detailed work plan and certified budget approved by both the Department and the county or district. The plan and budget may be amended at any time upon **prior approval** of the Department.

All funds, supplies, and services released on the dollar-for-dollar matching basis shall be used exclusively for an integrated program that provides a combination of mosquito control, source reduction measures, public education, personnel training and certification, mosquito population surveillance, larvicides, adulticides, equipment, and alerts as approved by the Department.

State funds shall be payable quarterly, in accordance with the rules of the Department, upon requisition by the Department to the Chief Financial Officer. The Department is authorized to furnish insecticides, chemicals, materials, equipment, vehicles, and personnel in lieu of state funds where mass purchasing may save funds for the state, or where it would be more practical and economical to use equipment, supplies, and services between two or more counties or districts.

State funds, supplies, and services shall be made available to such county or district by and through the Department immediately upon release of funds by the Executive Office of the Governor. Following the determination of funds available, if necessary, the Department shall make an adjustment in amounts of money payable to the district or counties in the last three(3) quarters of the current fiscal year. Districts or counties shall be notified of the amount of payable to them and if necessary shall amend amounts of state funds budgeted.

The Department, upon notifying a county or district and obtaining its approval, is authorized to transfer equipment, materials, and personnel from one district to another in the event of an emergency brought about by an arthropod borne epidemic or other disaster requiring emergency control.

Audits conducted pursuant to Section 215.97, F.S., shall be: (1) performed annually, and (2) conducted by independent auditors in accordance with auditing standards as stated in rules of the Auditor General. The Recipient is required to retain sufficient records demonstrating its compliance with the terms of this

agreement for a period of three years from the date the audit report is issued, and shall allow the Department of Agriculture and Consumer Services or its designee, access to such records upon request.
