Section 195.087(2), Florida Statutes, requires the Tax Collector to file his budget with the Florida Department of Revenue (DOR) on or before August 1 each year for the operation of the Tax Collector's Office in the ensuing fiscal year unless a resolution is in effect pursuant to Section 145.022, Florida Statutes. Sumter County Board of County Commissioners (BOCC) approval of such resolution relieves the Tax Collector from the obligation to file his budget with the DOR for approval and guarantees an appropriation of the Tax Collector's salary in the amount specified in Section 145.11, Florida Statutes. The Tax Collector agrees to turn over all fees collected to the BOCC and adhere to the budget policies and procedures established by the BOCC. This resolution will be in effect for the four-year term of the Tax Collector.

Starting with his initial election as Tax Collector, Mr. Mask has supported increased cooperation between the Tax Collector's Office and the BOCC. He has adopted policies and procedures that substantially reflect those adopted by the BOCC, increasing cooperation and sharing resources in the areas of Employee Services, Information Technology, and general Legal Services.

Mr. Mask desires to continue with consolidated services and enter into the agreement for the provision of these services with the BOCC for the duration of his four-year term.
