**HISTORY/FACTS/ISSUES:**

---

This Memorandum of Understanding (“MOU”) is to address a security vulnerability with CentralSquare’s software. CentralSquare successfully mitigated the Vulnerability through the cloud-based Imperva Web Application Firewall (“WAF”). The purpose of this MOU is to establish a clear understanding of the conditions under which CentralSquare will provide the Customer with protection against the Vulnerability by providing the Imperva WAF solution that will block unwanted traffic from the eTRAKiT cite and disable malicious file uploads. All affected customers are required to avail themselves of the WAF solution.
