HISTORY/FACTS/ISSUES:

At the 2/16/21 special called meeting, the Board supported the allocation of $1,000,000 for pavement preservation and resurfacing of existing roads. Using the adopted pavement management prioritization methodology, staff recommends:

The Powell Road Section in the Major Urban category from CR 44A to C-466A at a projected cost of $633,000.

The final phase of the safety project for the intersection of C-466 and C-475 at a projected cost of $180,000.

The balance of $187,000 reserved until the two above projects are determined to be under the project estimates and then pursue the following project:

Resurfacing of CR 622 and CR 622A off of C-575 at an estimated cost of $391,000.
