HISTORY/FACTS/ISSUES:

Animal Services has identified a need for alternative housing of dogs when the Animal Services shelter reaches capacity. Some dogs located at the Animal Services shelter are maintained at the animal shelter as part of an ongoing investigation. These dogs cannot be returned to their owner and cannot transfer for rescue or adoption.

A local vendor has been identified and is willing to provide this service to the County on an as-needed basis. This alternative housing option will be a pilot program to see if it is a viable option for the County's potential shelter population problem.

Per Florida Statutes 287.057 (5.3.c.), this service has been electronically posted for seven business days on the County's website.

Attached for BOCC review is the Pet Authorization and Terms agreement with Dogs Day Out, LLC.
