**LOCALLY FUNDED AGREEMENT
BETWEEN
THE STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION
AND
SUMTER COUNTY**

This **AGREEMENT**, made and entered into this _____, by and between the STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION (hereinafter referred to as the “DEPARTMENT”) and SUMTER COUNTY (hereinafter referred to as the “LOCAL GOVERNMENT”),

WITNESSETH:

WHEREAS, the Parties have been granted specific legislative authority to enter into this Agreement pursuant to Section 339.12, Florida Statutes; and

WHEREAS, the LOCAL GOVERNMENT, by Resolution, a copy of which is attached hereto as Exhibit “C”, and made apart hereof, has authorized its officers to execute this Agreement on its behalf; and

WHEREAS, the DEPARTMENT is prepared, in accordance with its Adopted Five-Year Work Program, to undertake the project described as: “Resurfacing of State Road 44 East of State Road 35/Main Street to Lake County Line”, said project being known as Financial Management (FM) Number 442875-1-52-01, hereinafter referred to as the “Project”; and

WHEREAS, the Project is not revenue producing and is contained in the Adopted Work Program; and

WHEREAS, the implementation of the Project is in the interests of both the DEPARTMENT and the LOCAL GOVERNMENT and it would be most practical, expeditious, and economical for the LOCAL GOVERNMENT to provide the funds for: Upgrade from Strain Poles to Mast Arms painted Midnight Neutral (Federal Standard Color Code 17038 from the 595B Color Deck) at the Intersection of State Road 44 and U.S. 301, in Fiscal Year 2021/2022, said Project being known as FM# 442875-1-52-01, and said improvements shall hereinafter be referred to as the “Additional Improvements”; and

WHEREAS, in order to maintain uniformity throughout the Project and to provide for the Additional Improvements in a cost effective manner, the LOCAL GOVERNMENT desires to

have said Additional Improvements made a part of the Project and to provide funding to the DEPARTMENT to be used for the Additional Improvements as described in "Exhibit A";

NOW, THEREFORE, in consideration of the mutual benefits to be derived from the joint participation of this Agreement, the parties agree as follows:

1. The term of this Agreement shall begin upon the date of signature of the last party to sign and shall remain in full force and effect through completion of all services required of the LOCAL GOVERNMENT. The DEPARTMENT may, at any time and at any stage, amend or terminate the Project in whole or in part if the DEPARTMENT determines that such action is in the best interests of the public.

2. The DEPARTMENT shall cause the Additional Improvements described in Exhibit "A" to be incorporated into the DEPARTMENT'S plans for the State Road 44 East of State Road 35/Main Street to Lake County Line Resurfacing and to be constructed as part of said Project.

3. The DEPARTMENT shall perform necessary preliminary engineering, prepare any and all design plans, acquire all necessary right-of-way, perform the construction, provide all necessary engineering supervision, and otherwise perform all other necessary work, all as may be applicable for the Project as previously defined. The Project as previously defined may include some or all of the foregoing activities. Nothing herein shall be construed as requiring the DEPARTMENT to perform any activity which is outside the scope of the Project as previously defined. Except as specifically stated otherwise in this Agreement, all such activities shall be performed by such entities, at such times, in such manner, under such conditions, and pursuant to such standards as the DEPARTMENT, in its sole discretion, deems appropriate. The LOCAL GOVERNMENT shall not have any jurisdiction or control over the DEPARTMENT'S activities, except as specifically stated in this Agreement. The LOCAL GOVERNMENT shall be entitled to be advised of the progress of the Project at reasonable intervals upon request.

4. After construction is complete, the LOCAL GOVERNMENT agrees to inspect, maintain, repair and replace the Midnight Neutral painted mast arms in perpetuity in accordance with the terms of the Traffic Signal Maintenance and Compensation Agreement previously signed by the parties hereto and as specified in Exhibit "A", Scope of Services. The parties agree that, upon installation, the Midnight Neutral painted mast arm structures shall be owned by the DEPARTMENT and the DEPARTMENT shall be entitled to inspect the mast arm structures at all times.

5. Contribution by the LOCAL GOVERNMENT of the funds for the construction phase of the Project shall be made as follows:

(A) The DEPARTMENT'S current estimate of cost for the Additional Improvements is **\$217,913.00 (Two Hundred Seventeen Thousand Nine Hundred Thirteen Dollars and No/100)**. This amount is based on the Estimate, Exhibit "B" attached hereto. The DEPARTMENT'S performance and obligation to construct the Project is contingent upon an annual appropriation by the Florida Legislature. The parties agree that in the event funds are not appropriated to the DEPARTMENT for the Project, this Agreement may be terminated, which shall be effective upon the DEPARTMENT giving written notice to the LOCAL GOVERNMENT to that effect.

(B) The LOCAL GOVERNMENT agrees that it will, on or before but no later than August 2, 2021, furnish the DEPARTMENT a lump sum contribution in the amount of **\$217,913.00 (Two Hundred Seventeen Thousand Nine Hundred Thirteen Dollars and No/100)** to be used for the estimated Project cost for locally funded project number 442875-1-52-01. The DEPARTMENT may utilize this contribution for payment of the cost of the Project.

(C) If the actual cost of the Additional Improvements is less than the funds provided, the excess will be applied to other phases on the Project.

(D) The payment of funds under this Locally Funded Agreement will be made directly to the DEPARTMENT for deposit.

(E) The DEPARTMENT and the LOCAL GOVERNMENT agree that the lump sum contribution shall be an asset of the DEPARTMENT and that it constitutes a full and final payment for the cost of the work, without any requirement for a subsequent accounting for the use of the contribution.

9. This Agreement constitutes the complete and final expression of the parties with respect to the subject matter hereof, and incorporates and includes all proper negotiations, correspondence, conversations, agreements, or understandings applicable to the matters contained herein. The parties agree that there are no commitments, agreements or understandings concerning the subject matter of this Agreement that are not contained in this
