HISTORY/FACTS/ISSUES:

Per Chapter 154, Florida Statutes, Subsection 154.06 (1), each county may establish, and each county public health department may collect fees for services, provided that a schedule of such fees is established by a resolution of the Board of County Commissioners (BOCC), or by the rule of the Florida Department of Health respectively.

The attached Resolution repeals the 7/24/2018 Resolution adopted by the BOCC relating to fees and set forth the fees to be charged by the Florida Department of Health in Sumter County until such time as a revision is needed.
