HISTORY/FACTS/ISSUES:

On March 9, 2021, Sumter County entered into an agreement with WSP USA Inc. (task order #5) to provide design services for the US 301/SR 35 at Pepper Tree Lane/CR 124A signalization project. A component of the signalization design included the construction of roadway lighting at the referenced intersection. The attached proposal includeds a one-time Contribution in Aid of Construction (CIAC) payment and the estimated monthly rental fees associated with the future roadway lighting. Sumter County would like Duke Energy to construct and maintain the future street lighting at this intersection.
