To: Caroline Alrestimawi <CALrestimawi@sumterclerk.com>

Caroline - right now the plan is that my wife will come home next Tuesday. However, her stability and balance are such that it will not be safe for me to leave her alone except for short periods.

Given this, I don't believe I can fulfill my obligations to the VAB and will resign as of today.

Thank you for your kindness and understanding.

Regards,

David Bussone

Thank you. I'll think about things and get back to you.
