The Florida Department of Transportation (FDOT) District Five is designing, buying right-of-way (ROW), constructing, providing construction engineering inspection (CEI) services, and post design services, as needed, for FDOT Project Number 435859-4-43/52-01 for State Road (SR) 50 from east of County Road (CR) 757 to east of Sumter/Lake County Line. As part of this project, FDOT will acquire ROW, access, and construct improvements on County Roads which intersect SR 50. This agreement allows FDOT to perform whatever is needed within County ROWs to perform the widening of SR 50 from two to four lanes. Once the project is completed and final accepted, Sumter County will take over maintenance of the ROW on County Roads which have not been acquired by FDOT.
