HISTORY/FACTS/ISSUES:

The presentation to the Board on 2/26/2021 gained the direction to work with The Village Community Development Districts to transfer the rights-of-way of the roads currently maintained by Sumter County to Sumter County. During the discussions with the District Management, they desired to provide the Debris Management within The Villages® age-restricted development including the County roadways. VCDDs 1, 2, 3, 5, 6, 8, 9, and 10 are now transferring the rights-of-way as described above and approve the Debris Management contracts.
