

**SUMTER COUNTY BOARD OF COUNTY COMMISSIONERS
EXECUTIVE SUMMARY**

SUBJECT: LSSA Lift Station Rehabilitation and Force Main Design- IPO 30 (Staff Recommends Approval).

REQUESTED ACTION: Staff Recommends Approval

Meeting Type: Regular Meeting

DATE OF MEETING: 7/26/2022

CONTRACT: N/A

Vendor/Entity: Kimley Horn

Effective Date: 7/26/2022

Termination Date: Completion of the Design Obligations

Managing Division / Dept: **Construction Design**

BUDGET IMPACT: .Use of American Rescue and Planning Act (ARPA) Funds

FUNDING SOURCE: General Fund (ARPA)

Type: Capital

EXPENDITURE ACCOUNT: See Purchase Order on 7/26/22 agenda

HISTORY/FACTS/ISSUES:

Following the completion of the LSSA sewer collection system capacity study (see the report under the County Administrator Reports on the 7/26/22 agenda), the recommended upgrade includes two lift stations and a redirection of a force main directly to the No. 2 lift station to bypass the existing gravity sewer system.

This upgrade increases the system conveyance capacity for both sides of US 441 for the balance of the build out of this portion of the District's service area.
