Subject: case# OP-23-02202

I live at 13825 County Road 109D, Lady Lake, FL 32159 and am very close to the property being considered in CASE# OP-23-02202 for an operating permit. I do not support a permit being granted because the operation causes noise and disruption very close to our homes. Trash is left in the area and we highly suspect drug use.
