**Subject:** Kennel ordinance - revision and recommendation

Morning,

The attorney made two minor revisions to the proposed ordinance:

(3)a.2.c “setback” should be singular

Requests for deviations from the setbacks requirements of this section due to parcel features may be authorized by the Planning and Zoning Special Master.

And

(c)(4) Nuisances. Chapter 4 of this Code [of Ordinances] shall apply to all animal nuisance complaints except those related to noise and odor from regulated kennels which shall be subject to the specified conditions of their approved special use permit.

This will allow enforcement of noise restrictions.

Sue
