HISTORY/FACTS/ISSUES:

The applicant is requesting an operating permit to allow the continued operation of an existing construction & debris landfill. The most recent inspection by Tetra Tech found the facility to be in full compliance with the operating permit and, at the time of the report, no complaints had been received within the past year from adjacent property owners . The proposed operating permit is effective for an eight year period, the same time provided with the last operating permit approval, and would be effective until April 11, 2031.
