

**OPERATING PERMIT**  
**OP-23-03019**

**REQUESTED ACTION:**

An operating permit to allow continued operations of an existing Construction & Demolition debris landfill.

**CASE SUMMARY:**

CR 466A Landfill Facility, LLC is an existing construction and demolition debris landfill located in Lady Lake, south of 466A. The property is owned by 466A Landfill Facility, LLC. with a small portion in the middle being owned by Howard Hewitt who is also the registered agent on Sunbiz for the landfill. The proposed operating permit includes those operational standards that apply to this business as approved in previous permits for operation of the landfill. This operating permit will remain in effect through April 11, 2031. This permit replaces OP2015-0001.

**DEVELOPMENT SERVICES DIVISION STAFF CONCLUSIONS:**

Staff deems the proposed operating permit in compliance with the requirements of the Sumter County Land Development Code and recommends Approval.
