HISTORY/FACTS/ISSUES:

In December 2022, Sumter County Transit (SCT) went through its Triennial Review and recreated the Title VI program for the Transit Division. Although Sumter County Board of County Commissioners (BOCC) has a Title VI program which was adopted by the BOCC on January 10, 2023, a separate document for SCT is required. According to the Federal Transit Administration (FTA) Circular 4702.1B, all recipients (including sub-recipients), the transit Title VI Program must be approved by the recipient's board of directors or appropriate governing entity or official(s) responsible for policy decisions. In this case, that means the BOCC.

The SCT's *Transit Title VI Program* is attached for reference.
