**HISTORY/FACTS/ISSUES:**

---

**Sumter County is pursuing a grant opportunity with the State of Florida to enhance regional coordination and awareness through a NG 911 cloud-based solution to provide supplemental device location data to enhance regional 911 awareness with tactical mapping of 911 calls for service. The solution also adds the ability for call takers to login into a cloud based alternative from any accessible internet computer to access data specific to Sumter County and our region.**
