**FUNDING SOURCE:** Florida 911 Grant  
**Type:** Annual                      **EXPENDITURE ACCOUNT:**

**HISTORY/FACTS/ISSUES:**

---

The State of Florida E911 Board awarded Sumter County a \$420,000 reimbursement grant for NG9-1-1 services to include Tactical Mapping and Eclipse Analytics. The attached agreement with RapidDeploy meets the scope of the grant.

The solution provides supplemental device location data enhancing regional 911 awareness with tactical mapping of 911 calls for service. The annual cost for the five year term is \$67,200. As the final cost was less than forecasted, we intend to file an amendment to our grant application to reduce the funding award if the agreement with RapidDeploy is approved.
